Amendment A

Dear Sir:

This amendment and response is per the Office Action mailed on May 21, 2003.

In the Claims

Please amend the claims as follows:

*Sub B1*  
*ai.*  
1. (AMENDED) A seat, comprising:

a first member, having a first forward portion and a first reward portion;  
two connection members, in communication with said first member;  
a second member, having a second forward portion and a second reward portion, in communication with said two connection members;

wherein said two connection members dispose said first forward portion a desired distance from said second forward portion;

wherein said two connection members dispose said first rearward portion a second desired distance from said second rearward portion; and

wherein said first forward portion and said second forward portion can be disposed together without any forward gap therebetween.

*b1  
cont*  
*a2*

3. (AMENDED) The seat of claim 1, wherein said first member and said second member are contoured to receive a user's buttocks.

4. (AMENDED) The seat of claim 2, wherein said first member and said second member are contoured to receive a user's buttocks.

*b1  
cont*  
*a3*

8. (AMENDED) A seat, comprising:

a first member, having a first forward portion and a first reward portion;

a seat rail disposed below said first member;

a second member, having a second forward portion and a second reward portion, in communication with said seat rail;

wherein said seat rail disposes said first forward portion a desired distance from said second forward portion; and

wherein said seat rail disposes said first rearward portion a second desired distance from said second rearward portion; and

wherein said first forward portion and said second forward portion can be disposed together without any forward gap therebetween.

Please cancel claim 10.

Please cancel claims 19 and 20.
